Defence Families

Gold Creek School recognises that families from the Australian Defence Force can experience significant mobility and unsettlement due to postings and deployment. Therefore, we have a Defence Transition Mentor to assist students and their families to integrate into the school community and to offer support and advice tailored to meet individual needs.

Please help us to identify our Defence Family students by filling out the details below:

Student has a parent/Carer in one of the Australian Defence Forces (ADF)? Yes/No

(Defence Forces - Uniformed serving members of the Armed Forces or those from overseas Military Services on attachment to ADF).
