Tip 1

(From newsletter 26/8/2016)

AT THIS STAGE STUDENTS ARE ENCOURAGED TO IDENTIFY AND THINK ABOUT THEIR AREAS OF INTEREST, BE THEY INSIDE OR OUTSIDE SCHOOL. IF THEY HAVE ALREADY DONE THIS IT WOULD BE BENEFICIAL FOR THE STUDENTS TO IDENTIFY GLOBAL CONTEXTS THAT MATCH THEIR AREA OF INTEREST.

GLOBAL CONTEXTS:

- Identities and Relationships
- Orientation in Space and Time
- Scientific and Technical Innovation
- Globalisation and Sustainability
- Fairness and Development
- Personal and Cultural Expression
