

Defence Families

Gold Creek School recognises that families from the Australian Defence Force can, at times, experience mobility and unsettlement issues due to postings and deployment. Therefore, we have a Defence Transition Mentor/Defence School Transition Aide working across both the Senior and Junior Campus. The purpose of this role is to assist students and their families to integrate into the school community and to offer support and advice tailored to meet individual needs.

Please help us identify our Defence Family students by filling out the details below.

Student has a parent/carer who is a ***Uniformed Serving Member of the Australian Defence Force (or from overseas Military Services on attachment to the ADF).***
