

## Preschool

Term 1, 2019

*Gold Creek School*

# *Community Connections*

*Partners in Learning*

## Inquiry Units

### **Who We Are:**

**Central Idea:** Understanding that people are unique may help us to build relationships.

**Lines of Inquiry:** What I am like; How relationships affect us; Roles and behaviours within relationships

### **Sharing the Planet:**

**Central Idea:** Communities evolve through intercultural understanding

**Lines of Inquiry:** Ways Aboriginal and Torres Strait Islander peoples are connected to country; What is my responsibility for caring for our land?

## Literacy

Students will participate in investigations into family stories, their own identities and cultural importance. This will include class discussions, observations, photographic evidence, retelling stories and communicating with families.

Literacy learning will also involve identifying words, letters, our names in the environment around us.

## Numeracy

Numeracy will be embedded throughout the program through texts, songs, stories and games during transitions and daily routines. Children will take part in activities relating to measuring our height, conversations and recognition of the passing of time, days of the week and dates of the year.

## Outdoor

Students will play co-operative games and explore the natural elements of the Preschool environment to help them to begin to learn about each other and establish friendships. A respect for the environment will be at the centre of many outdoor learning experiences.

## Parents as Partners in Learning

Please keep anything that you think would be useful for children to use in construction; i.e. food boxes, bottle tops, wool etc. Please see your classroom teacher if you think that you can help out in this way.

Mid Term we will be having a family breakfast. Families will be invited to come in and join this special time with their child and the preschool community. Information relating to this will be relayed to you closer to the time.

SEESAW APP – A reminder to make sure you have signed and returned the permission note for the SEESAW APP, as we use this as a regular form of communication. Please speak with your child's classroom teacher if you have any questions.
