YEAR 7-10 STATIONERY REQUIREMENTS & TECHNOLOGY CONTRIBUTION 2020

Dear Parents and Carers

Each year students are provided with a stationery and book list indicating the required equipment to support their educational needs at each specific year level. We recognise that some parents appreciate the opportunity to price items and shop competitively rather than purchase the whole pack directly through a supplier. We do request that parents endeavour to buy the items as they are listed. For those parents that wish to order the whole book pack without shopping around, the option exists to buy through OfficeMax/WINC. **Please be aware** that the Education Perfect contribution payment is not included in the book pack this year and needs to be paid directly to the school using the payment option below.
