Junior Site Bites

Associate Principal

It is hard to believe that there is only one week left of the school year. This last week has been filled with so many exciting culminating events and performances that have demonstrated the growth that the students have achieved over the course of the year. There has been such a buzz in the units as students have shared their work with their families, staff, and other students from across the school. I congratulate each and every one of them for their successes, their willingness to share their work, and their ability to be able to talk about their learning with such depth, demonstrating evidence of understanding. I am very fortunate to have been able to get to the majority of the events that have taken place, and thank the staff for all the additional work that has gone into the preparation of these events.

At the end of the Term, we will farewell several of our fantastic staff members as they take up positions in other schools. I would like to extend our appreciation for their commitment and service to the students of Gold Creek School. I wish Kellie Shoemark, Anne Brennan, Jo Hampton, Adam Hellyar, Elissa Penfold and Melinda Collett the best of luck in their new schools. In 2014 we will welcome Nicole Moore, Dione Brown, Max Rixe, Damian Bolton, Jodie Graham, Fiona Evans and Chris Harding to teaching positions at Gold Creek School Junior Site.

We had a great turn out at the Volunteers Morning Tea, and appreciated the opportunity to thank the parents for their commitment to the school. Without your support, we would not be able to achieve the outcomes we achieve on a daily basis. I encourage anyone who has time to spare to come in and enquire about how you can help your school help your child/ren.

We hope many of you are able to join us at the Awards Ceremony that will take place next Friday. It will be a great opportunity to farewell the staff that are leaving, watch the winning item from the 2013 talent quest, listen to the vocal group perform one more time, hear the announcement of the 2014 school captains, and acknowledge the fantastic efforts of the recipients of the special awards. I hope to see many of you there.
