

Let's Locate

Are you curious, like working outdoors and with technology?

The Let's Locate program is an exciting opportunity for selected year 9, 10 and 11 students to engage in hands-on, practical learning activities in the use of the latest positioning technology. The program will introduce and apply concepts in surveying and civil construction.

Let's Locate is a STEM program where students will have the opportunity to develop skills and knowledge about jobs and careers in surveying and spatial information.

Let's Locate

Program Information

Let's Locate will be delivered by the Canberra Institute of Technology (CIT), Surveying and Spatial Sciences Institute (SSSI), and the ACT Office of the Surveyor General and Land Information. Interested Year 9, 10 and 11 students will need to submit an Expression of Interest (EOI) on the attached form to SSSI, julie.fairman@sssi.org.au. SSSI will select the most suitable candidates. Selected students will be notified by email by Friday, 20th September 2019.
