Project Proposals

As stated in the guide book schedule, students will be required to present their Personal Project proposals in week 9 term 4 on either Monday, Tuesday or Wednesday. The panels will be made up of Ms Morthorpe, Mr McDonald or Mr Fitzpatrick, an Executive teacher and a selection of year 8 students. The panel meeting will go for approx. 10 minutes duration. Students are encouraged to be prepared to explain their project and answer questions.

The students are required to bring the following:

- Action Plan Template
- Topic Nomination Form signed by their parent/carer and mentor
- SMART goal justification
- Criteria for Success
- Process Journal (which includes evidence of their mentor meetings)

These may be digital or hard copy. Explained of where to find these materials or how to develop them are in the Guide Book or in additional material, both of which are available on the Gold Creek Website (under curriculum – Personal Projects) or the Google Classroom.

Students will be receiving a half day preparation time on Friday 2nd of December which will be supervised at school.

Kind regards,

Mr Paul Fitzpatrick
