Dear Parents and Carers

As you are probably aware, an announcement was made this morning by our Minister for Education, Ms Yvette Berry, regarding the return to face to face learning. I'm pleased to let you know that all ACT Public Schools will return in a staged approach from 18 May. Details about this transition are in the attached letter from Katy Haire, Director General of the ACT Education Directorate.

The health and wellbeing of our school community is a priority. We will be taking steps to make sure our school is a safe environment for everyone, and I have attached advice from the ACT Chief Health Officer which will guide our approach.

Gold Creek is looking forward to welcoming our community back to face-to-face learning and teaching. As always, I'll stay in touch with you regularly over the weeks ahead to provide further details as our return plans are finalised. You can also visit www.education.act.gov.au for the latest information about ACT public schools.

Regards
