### Questionnaire (please circle)

1. Do you already play a concert band instrument? Yes / No
2. If yes, what instrument do you play? \_\_\_\_\_
3. How long have you been playing your instrument? \_\_\_\_\_
4. Do you read music? Yes / No
5. Have you belonged to a Concert Band before? Yes / No
6. Do you own a Concert Band instrument? Yes / No
7. What band instrument would you like to play? \_\_\_\_\_

- ☞ Make sure that you discuss this with your parents/carers first.
- ☞ If you already own a concert band instrument and wish to play it, you will automatically be put on that instrument. Please note that we have a limited amount of playing positions for bass guitar.
- ☞ If you already play a Concert Band instrument, but don't own one, we will try very hard to allocate you the instrument you already play.
- ☞ If you are starting a new instrument, we will try to allocate you an instrument from your three choices. Remember that guitar (other than bass guitar), keyboard, violin, viola, cello and piano are not band instruments.
- ☞ When choosing your instruments, please bear in mind that there is a very high demand for percussion, bass guitar and saxophone, and only a few of these instruments are available. We always need brass players. When choosing your instrument, remember you may not get your first choice.
- ☞ You will need to pick from the following list: flute, oboe, clarinet, alto saxophone, tenor saxophone, bass clarinet, trumpet, French horn, trombone, euphonium, tuba, bass guitar.
- ☞ Percussion: All of our percussionists play keyboard percussion, glockenspiel, auxiliary percussion (tambourines, etc) and drum kit, so there is a lot to learn.
