Dear Parents/Carers and Students,

What a busy and successful term we have had.

During week 8, we welcomed our Director General of the ACT Education and Training Directorate, Diane Joseph for a visit to the senior site. Following a discussion around school improvement with the leadership team, Mrs Baird, Ms Morthorpe and I toured the senior site; visiting many classrooms. Diane was most impressed with our school, the learning environments and the culture of learning that was apparent.

Today Gold Creek School acknowledged ANZAC Day with a whole School Assembly. This year is a significant year with 2015 being the centenary of ANZAC. Thank you to Hilary and our defence community for a heartfelt ceremony. The messages students have written on the giant poppies show their gratitude and acknowledge our appreciation of Australia’s Defence Forces, both past and present.

In Ms Baird’s absence I will be the acting Principal for the first few weeks of term 2. Mr Niels Hider will be the acting Associate Principal on the Senior Site alongside Ms Michelle Morthorpe who is continuing in this role. Ms Tamsyn Terry will be the acting SLC of Maths and Science. I would like to thank Ms Mary-Anne Kirk for the great job she has done as acting SLC of both PE and Special Education during term 1. Next term, we welcome Mr Hamish McDonald permanently to this role. He comes to us from Campbell High School as an experienced School Leader.

It my pleasure to announce the School Board members for 2015:

School Board Chair – Mr David Vernon
Staff member (continuing) – Ms Angela Spence
Staff member – Ms Piper Quick
P&C member – Mr Paul Singer (continuing) and Mr Wade Evans
Student members – Tara Swanton and Michael Cadwallader

We give our thanks to the outgoing School Board members, Mr Clive MacKillop and Ms Leona Anton.

On Monday 27 April 2015, there will be a day in lieu for ACT public servants, including teachers and other employees working in ACT public schools. This is due to ANZAC Day falling on a Saturday this year. Therefore, term 2 for all ACT public schools will begin on Tuesday 28 April 2015.

I would like to draw your attention to the Public Consultation on the draft Reporting Student Achievement (Preschool to Year 12) Policy and draft common report templates. (Opening Date: Monday 23 March 2015. Closing Date: Friday 15 May 2015). The ACT Government is seeking public comment on the draft policy and draft common report templates for ACT public primary and high schools. The draft policy and draft common templates are designed to ensure parents receive consistent information about their child's achievement regardless of which ACT public school their child attends. Parents/carers can provide feedback through the ACT Education and Training Directorate website at www.det.act.gov.au and the ACT Government's Community Engagement 'Time to Talk' website at http://timetotalk.act.gov.au.

Students on the senior site received their mid-semester reports yesterday afternoon in tutor groups. Please ensure that you receive this important report. For students that were not present during this time, reports will be posted out today. If parents don’t receive this report, please contact the school. They are an important opportunity to receive feedback on each student’s performance in each of their subjects in terms of the student’s:

1. academic progress (achievement) – S (satisfactory), C (cause for concern), U (unsatisfactory)
2. attitude - S (satisfactory), C (cause for concern), U (unsatisfactory)
3. effort – score (outstanding, High, Satisfactory, Limited, Very Limited)

This feedback is timely as we follow this up with parent-teacher interviews on Tuesday 28 April and Thursday 30 April. This is an opportunity for students, parents and teachers to work together on strategies to improve individual student’s results.

I wish all staff, students and their families a restful break and look forward to a productive term 2.

Warm regards,

Priscilla Wray
Principal (Ag)

INTERNATIONAL BACCALAUREATE LEARNER PROFILE WORDS OF WISDOM

IB Learners are Principled: “Laws and principles are not for the times when there is no temptation: they are for such moments as this, when body and soul rise in mutiny against their rigour.... If at my convenience I might break them, what would be their worth?” Charlotte Bronte

ANZAC DAY ASSEMBLY

Our kindergarten to Year 10 ANZAC Day assembly was held today on the senior site. To acknowledge the significance of this year being the commemoration year of 100 years of ANZAC, we implemented a 100 giant poppies project. Students on both sites have had the opportunity to help with the construction of the poppies and to write commemorative messages on the leaves and petals. The poppies look great on display.

I would very much like to thank the Defence parents who attended, and took part in our special ANZAC Day assembly. It was great to see you in your military uniforms. Our assembly was a fitting tribute to those who have sacrificed their lives in the Great War and in all the conflicts that have followed, and an opportunity for us all to engage in silent reflection as we remember them. A big thank you is extended to Group Captain Wade Evans for his thought provoking commemorative address and I would also like to acknowledge the junior site vocal group for their performance of the song The Last ANZAC, the junior site band for their performance of the National Anthem and year 9 students, Mackenzie and Alex for reading the poem “25th of April” by Roderic Quinn.

COMMEMORATIVE CROSSES

As a part of the 100 years or ANZAC commemorations the year 5 and 6 classes joined the Australian War Memorial’s Commemorative Crosses project. In short, all the students were provided with a small wooden cross each and encouraged to write a reflective message. Many thought provoking messages were written acknowledging the risks and sacrifice that have been made to ensure Australia remains a safe place to live. On the back of the cross they wrote their name and school. These crosses will be taken overseas and placed on the war graves of Australian servicemen and women who have lost their lives while on active service.

MUSIC NEWS

We’ve heard some fantastic performances and compositions in Music this term from K to Y6. This is what we’ve been looking at:

**Kindergarten**
During this term we have been singing lots of songs from different traditions and cultures across the world. Students have also been learning to write simple rhythms in musical notation and playing some musical games.

**Year 1**
Year 1 students have been learning what a pentatonic melody is and composing their own Chinese pentatonic compositions. Ask them if they can remember the notes that are in a pentatonic scale!

**Year 2**
In Year 2 we have been focusing on texture changes in music and students have put together group compositions demonstrating these. They have been thinking about different timbres (different sounds) in music and the materials they can be made from.

**Year 3**
Year 3 students have been looking at interactions between the natural world and music. They created their own group compositions to demonstrate various natural environments and how these might change – we had some thunderstorms, rainforests and even a volcano erupting!

**Year 4**
Year 4 students have been writing their own Japanese haikus and setting these to music using the pentatonic scale. They focused on how they could use the musical elements to make these sounds more interesting to their audience.

**Year 5 & 6**
Samba was the first unit we looked at with Y5 and 6 students. They performed as part of a class samba band, reading and writing tricky rhythms, and some were even conducting the rest of the class. More recently we have been linking with their unit of inquiry to see how musicians express themselves using the elements of music. Ask them to see how many of the elements of music they can remember!

**Band**
The Year 6 band have been working hard on some new and much harder pieces – Skeleton Dance seems to be a particular favorite amongst the students. They did a great job performing at Evening on the Green, and the National Anthem at the Anzac Day Assembly. We hope to have some more performance opportunities for them in Term 2.

Year 5 band is now up and running and the students can now play quite a few notes! We look forward to them joining the Year 6 band for weekly rehearsals during Term 2.

**Vocal Group**
Mrs Job has been working hard with the vocal group for their performance in the Anzac Day Assembly. They started the year with an outstanding performance at Evening on the Green, and have grown in numbers since then. They are sounding great, and we look forward to more performances in Term 2.

It’s been a fun term of musical learning and next term we will all be starting new and exciting projects in Art.

SHAPE NEWS

Girls Water Polo Day

On the 11th of March we went to the Girls’ High School Water Polo Day with a team of 13 girls. Only Haleigh Mann, Erinn Hope and I had actually played before, so for the other 10 girls this was their first time trying Water Polo.

At the start the girls were all really nervous, but they gave it their best shot and played really well. During the day we played 4 games against Merici, Canberra High, St. Claire’s and Lyneham. Our best game was against Lyneham as we only lost by 1 point and the girls gave it their all. This is the first ever Gold Creek Water Polo team, and I hope for there to be more in the years to come.

Thank you to Eva and Ms Mutton for taking us and coaching. Thank you to Miss Slater for organising it and allowing me to take a leadership role with it. Finally thanks to all the girls for playing; it was a great day.

PHOTOGRAPHY NEWS

In Photography during term 1, students learned about different photography types and the techniques used to achieve quality photographs. Students explored landscape, portrait, candid, action, macro, architecture and food photography and how to achieve a clear focal point. They looked at using and applying different rules, perspectives, lines and textures in their photographs. Some of the photographs taken by students this term are scattered throughout this newsletter.

Next term students will be using Photoshop to enhance, alter and apply different effects to their photographs. Students also have an excursion in term 2 which will take them to several key locations in Canberra where they will get the opportunity to practice their skills in a variety of settings.
