Dear Parents/Carers

I'm pleased to let you know there will be a further easing of restrictions on our school activities and parent/carer engagement in line with the broader easing of COVID-19 restrictions across the ACT.

Today the ACT Education Directorate released a 'roadmap' based on the ACT Government's COVID-19 recovery plan. This roadmap is based on health advice and is attached along with a letter from the Chief Health Officer.

In term 3 we plan to welcome back our families for events such as parent teacher interviews and small assemblies with physical distancing and hygiene measures in place.

However, where possible parents and carers should still avoid entering school grounds and should make an appointment where possible. We also need to ensure we continue to practice physical distancing around adults at school. All visitors (parents/carers) need to sign in at the front office whenever attending the school, so that in the event of a case being identified, ACT Health is able to rapidly conduct contact tracing.

I encourage you to review the roadmap and letter and look out for future school newsletters and communication about how we will be implementing the roadmap in our school. This may impact school camps with further clarification before the end of term.

Regards
