Family contributions support the school in many ways where funding allocated by the Education Directorate needs support. Some examples are sporting equipment, library books, resources, and computer technology. Contributions are also used to fund curriculum materials in science, technology, languages, as well as International Baccalaureate PYP and MYP programs. (NB: Tax deductible donations are non-refundable). While contributions are voluntary under the *ACT Education Act 2004*, and no student will be disadvantaged by not paying their family contribution, your school community relies on every family contributing to the financial viability of the school.

Payment Methods [Quickweb](#) (via school website) Direct deposit Credit Card
