

Community Connections - Year SGP3-6

OUR SCHOOL VISION: We inspire individuals to flourish, embrace challenges and make a positive difference to our world.

Unit of Inquiry:

Refer to each cohort's Community Connections

Central Idea:

Our Year 6 students will complete their exhibitions connected to the **United Nations Sustainable Development Goals (SDGs)**.

Our Year 5 students will be focussing on Sharing the Planet and how we use science to make responsible choices.

Year 4 Students will also focus on Sharing the Planet, investigating how we take responsibility in managing environmental changes and species distribution.

How you can help at home?

We invite all families to ask what steps their children are taking to improve our world and celebrate your child's effort and growth.

Literacy:

- Spelling UFLI and PhOrMes
- Fluency reading
- Build technical and precise language
- Research skills
- Writing to inform - explanations, reports, brochures, infographics

How you can help at home?

Ask your child about the topic they are engaging in at school, to help develop clear, objective language and to share facts without emotional bias.

Numeracy:

- Data
- Percentages
- Order of Operations
- 2D Shapes

This term, students are building everyday maths skills: working out discounts, reading and questioning data and following the order of operations so they solve problems accurately.

How you can help at home?

This term we're exploring percentages, data, and order of operations. You can help at home by working out sale discounts while shopping, talking about graphs in the news and asking "How did you work that out?"
