

Community Connections - Kindergarten

OUR SCHOOL VISION: We inspire individuals to flourish, embrace challenges and make a positive difference to our world.

Unit of Inquiry

SHARING THE PLANET - an inquiry into the rights and responsibilities in the struggle to share finite resources

Central Idea: We have the responsibility to take care of our planet.

Lines of Inquiry:

- An inquiry into the characteristics of living things.
- An inquiry into how we can maintain the health of living things and their environment.
- An inquiry into the impact of our actions on living things.

How you can help at home?

- Explore our beautiful Nggunawal country and discuss what you see, hear and feel
- Discuss how we can care for the country at home and our community
- Embrace and discuss plastic free Mondays

Literacy:

- Solidifying our letter sound knowledge
- Learning to read and write CVC words
- Learning to read and write short sentences
- Learning to use descriptive words

How you can help at home?

Spend time having a look at the UFLI home learning sheet sent home each week - play with the letters your child has learned and enjoy reading and writing with them!
Keep reading - talk about books and what is happening in the story or what you are learning from reading.

Numeracy:

- Number - counting, ordering and comparing numbers to 20.
- Addition and subtraction - combining, sharing and taking away collections to 10.
- Measurement - comparing the length, mass, capacity and duration of objects and events.

How you can help at home?

- Practise counting and comparing groups of everyday objects and explore adding, sharing and taking away during play and daily routines.
