

INFORMATION FOR FAMILIES

Websites that may be of help with working and learning from home.

The list to the right is some of the supports available to you as students and parents. Select the service you would like to view to open hyperlink.

There are many more services available in our community, so please get in contact with your Pastoral Care (PC) teacher for a list of other services.

If you need **emergency** services, please call **000** for Police, Fire or Ambulance.

We are here to assist you where we can and direct you to the most appropriate service for your needs.
